DELIVERING VALUE

# **Dr Adrian Saville**

Founder and Chief Executive

## Dr Adrian Saville - Founder and Chief Executive

BA (Hons, cum laude), MCom (Economics: cum laude), PhD

Adrian founded Cannon Asset Managers in 1998. His qualifications include a Bachelor of Arts (Honours) (cum laude) degree and MCom (cum laude) from the University of Natal.

Adrian completed his PhD in economics in 1997, for which he was awarded the Economics Society of South Africa's Founders Medal. Adrian is a UNESCO laureate and a matriculant of Linacre College (Oxford). He has completed programmes in value investing and competitive strategy at New York's Columbia University and Harvard Business School in Boston. Currently, Adrian holds a Professorship of Economics and Competitive Strategy at the Gordon Institute of Business Science (GIBS), where he teaches in the fields of macroeconomics, investment finance and competitive strategy.
